### [QUESTIONS?](#)

## PROCESS

Teams must fill out either the [stay and play exemption form](#) or [hotel request form](#) by the deadlines listed below. **Please note that this deadline is before the primary team registration deadline.** Click [here](#) for a list of all team registration deadlines. All teams, even those who have not qualified yet for the tournament, may fill out the hotel request form. The hotel request form will go live on Wednesday, January 3, 2018 at 5pm ET. USQ staff will assign teams to hotels in the order that teams fill out the form.

For the purposes of assigning hotels, teams have been divided up into three groups: those who qualify through fall regional championships, those who qualify through spring regional championships, and those who qualify through at-large bids. There are an equal number of rooms available for each group at each price point. Hotels will be assigned to teams based on the order teams fill out the form and what is available in their group.

Once a team fills out the hotel request form, they will be emailed instructions on how to book their hotel accommodations, but only if they have already qualified. Teams who haven't qualified yet may be permitted to book their accommodations on a case by case basis. As mentioned above, teams must fill out the hotel request form before they reserve hotels. They are separate steps in the registration process.

Please note that hotel request form does not ask for any financial information nor require the team to pay any money. Teams will most likely need to provide a credit card to secure a reservation when booking the reservations after being placed at a hotel, but that is not needed until the rooms are actually reserved with the hotel.

If your team needs to have your school or another third party reserve or pay for the hotel rooms, please contact [events@usquidditch.org](mailto:events@usquidditch.org) as soon as possible to let us know.

### HOTEL REQUEST FORM

On the form, teams will be asked to fill out a form stating: their ranking of the accommodations out of the options listed (from top choice to last choice), how many rooms they need, and how many nights they will be staying. Per USQ's [stay and play policy](#), teams are required to stay a minimum of two nights for US Quidditch Cup, unless they qualify for an exemption.

Additional hotels may be added to the list below after the hotel request form goes live. If a team wishes to change their lodging to another hotel after they have been assigned, they need to email [events@usquidditch.org](mailto:events@usquidditch.org).

## DEADLINES

Qualification	Stay and play exemption form	Hotel request form	Hotel reservations booked
Great Lakes	Not applicable	Thursday, January 11, 2018	Thursday, January 25, 2018
